

October 1, 2024

Dear Rett Community,

We are pleased to announce that applications for the Rett Sibling Scholarship, sponsored by Acadia Pharmaceuticals Inc, for the 2025-2026 academic year are now available [here](#). We are awarding 10 scholarships of \$5,000 each to eligible siblings of individuals living with Rett syndrome.

The Rett Sibling Scholarship aims to shine a light on the often unsung heroes of the Rett syndrome community. This program is inspired by the strength and resilience of the siblings of individuals living with Rett syndrome, who contribute so much to their families and communities while often facing obstacles to their own goals.

How to Apply

The application process is fully administered by International Scholarship and Tuition Services (ISTS), Inc., a firm that specializes in managing sponsored scholarship programs. Applications can be submitted online through January 30, 2025. Students will be required to provide a variety of materials such as academic transcripts, information on activities, goals, and family circumstances, as well as an original essay.

To learn more about the Rett Sibling Scholarship, or to apply, those interested are encouraged to visit RettScholarship.com.

Thank you for all you do.

All our best,
The Acadia Rett Team
